Witter ZX204 Cycle Carrier

ZX204 Witter Bolt-on Towball Mounted 4 Bike Cycle Carrier

The ZX204 platform style cycle carrier from Witter takes up to four cycles of any size including a child's. The carrier clamps to a UK towball using an adjuster screw and extra security will be provided by securing straps. The carrier comes with three support arms and a cycle retaining strap to hold the cycles into position.

MORE DETAILS

- Easy coupling which fits most towbars
- NEW cycle support arms fasten your bike safely to the cycle carrier
- Wheel handles on cycle support arms can be upgraded to lockable handles to secure cycles to the carrier
- Tilts with cycles loaded for easy access to the vehicle's boot
- The low platform makes it easy for cycles to be loaded and unloaded
- Adjustable wheel holders accommodate most cycle sizes
- Securing straps attached to the rear door will ensure your carrier and bikes are safe(not suitable for motorhomes as straps are required to be attached to the rear door) Supplied with light board and NEW 2in1 electric plug to accommodate both 7pin and 13pin sockets—no adaptor needed
- +700mm for ferry dimensions
